

A Prayer for Our Church

The mission of Moody Methodist Church is to help all people know Jesus Christ and grow spiritually within a nurturing community so that we may respond in love and service to a world in need!

Our mission is a function of every member of our church. I would ask that you dedicate yourself to one day of prayer per week on behalf of our church. Imagine the power of the Holy Spirit in our own community!

Dear God,

Our faith community has been blessed and has inherited an abundance of treasures, talents of our members and resources to enable us to carry out this Church's specific mission.

We pray for guidance, discernment, and wisdom to understand our ministries. We ask that You will raise up leaders, enabling us to initiate and implement those plans. May we seek to use talents of all persons, by creating an atmosphere of learning, spirit of mutual co-operation, and respect for all. May You guide us in all aspects of our life together: prayer, worship, fellowship, life-long Christian education. Grant to those persons responsible for strategic, long term planning, focus and patience to listen for Your Call and skills to formulate, to enable the larger faith community to carry those tasks to their fulfillment.

We accept the challenges that lie ahead. We acknowledge that, only by following Your steps, will this Church become the Community of Faith for which we were called: that we, who have been so blessed, may truly be a blessing to all. May lives be changed in this our church family and throughout the larger Galveston community. May your Spirit empower us to help change the world. In all that we do, may our ministry be unconditional, expecting nor asking anything in return, not even belief. In so doing, we pray that others will come to know Your unconditional, love.

Amen
